Information on the order
of presentation of publication

Submit of publishing material procedure

The original theoretical and experimental works on various branches of psychology and reviews of native and foreign research can be published in the journal.

To be accepted for publishing in the journal the material should be electronic kind typed in Word, 14 pointtype, sesquialteral range, printable field of 2,0 cm, not more than 20 pages in size, including the list of cited literature. The text should be typed in standard font of type: Times or Arial.

If cited in article the literature is pointed out alphabetically at the end of the article. The literature in foreign languages goes after the one in russian. Reference to sources as a sequence number of the cited book or article (with the number of page in semicolon) is denoted in brackets. Materials for "Scientific life" section are accepted in the course of (within) 2 months after ending of the corresponding congress, conference, convention, etc.

The figures on diskette should be in separate files (TIF or PCX format) with printout and the caption index. It is allowed to file a figure direct in Word within the text of the article.

It is essential to attach to the article a summary – not more than half a page in size – and keywords, as well as author information (name, surname, (patronymic name), home address, ZIP code, telephone number, profession, academic status, place of employment and official position, date of birth, passport data, retirement insurance certificate number, PTN –personal tax number, TIF electronic size photo of 300 dpi definition or no less than 10x15 size photography).

Forwarded to editorial staff, materials should be presented in two languages: Russian and English.

The article sent to the author to complete and being not returned to the appointed date is excluded from the editorship's stock of orders.

For supplemental information please go to:
