Review of Political Science

Review of Political Science is a peer-reviewed academic journal publishing original research in all subfields of political science: Russian politics, comparative politics, political theory, political sociology, world politics and international relations, public policy and decision-making.

The main aim of the journal is to provide a forum for scholars to share and discuss the results of their work.

Review of Political Science is included in the list of the leading academic journals that are recommended by High Certification Commission (VAK) of the Ministry of Education and Science of Russian Federation.

Review of Political Science, founded in 2007, is published quarterly by Political Science Department of Perm State University, Russia.

After publishing, full-text versions of the issues are available on the website of the journal as well as on the website of electronic library – elibrary.ru.
