**В19** English grammar: 100 main rules (Английская грамматика: 100 основных правил). — Москва : Проспект, 2015. — 144 с.

ISBN 978-5-392-14348-1

As soon as you started learning English you have to study basic grammar rules that help understand the language structure and as a result communicate effectively.

In the reference guide 100 most common grammar rules are put together and explained in a clear form of tables with several examples to each rule.

Referring to this grammar guide may be helpful for those students who have recently started learning English and still find grammar not simple to understand as well as for those advanced users who need just refresh their knowledge of English grammar or clarify some grammar points.

Как только вы начинаете изучать английский язык, вам приходится изучать основные грамматические правила, которые помогают понять структуру языка и как результат — общаться более уверенно. В этой книге сто самых распространенных английских правил собраны и представлены в виде таблиц с несколькими примерами для каждого из них.

Обратиться к этому справочнику будет полезно как тем, кто недавно начал изучение языка и столкнулся с трудностями понимания грамматических правил, так и продвинутым учащимся, которым необходимо освежить знания английской грамматики или уточнить некоторые непонятные моменты.

Вся книга написана на английском языке.
