ISBN 978-5-392-19338-7

The XXth Century Political History of Russia presents lecture materials for academics
working with undergraduate, graduate and postgraduate students as well as researchers of
Russian history.

The chapters are an unusual insight into the Russian past, which makes the readers think,
analyze and also reconsider some events of the Russian history. It is an exciting blend of stories
of the past and future trends, allowing to make forecasts and predictions.
