THE REGENT OF THE ROUÉS . . .

By Lieut.-Col. ANDREW C. P. HAGGARD, D.S.O.
SIDELIGHTS ON THE COURT OF FRANCE.

With Seventeen Portraits.

Demy 8vo, cloth gilt, 16s. net.

SECOND EDITION.

SOME PRESS NOTICES.

"Of the league and the religious wars which devastated France for three reigns he has made an efficient and lucid study. And it is no light matter to unravel the ugly tangled skein of that cruel struggle. His book tells a straightforward story."—*Times*.

"A very readable volume, made additionally attractive by its many well-executed portraits."—*Globe*.

"No lover of the romance of French history will be able to resist the fascination of this attractive volume."—*World*.

"The author's story of a fascinating period of French history is admirably told."—*Observer*.

"The volume is excellently written, and affords very pleasant reading in the lighter side of history."—*Daily Mail*.

LOUIS XIV. IN COURT AND CAMP.

With Twenty Portraits.

Demy 8vo, cloth gilt, 16s. net.

"The author has performed his task well. He has succeeded in producing an entertaining book, and, above all, in setting forth this tangled mass of intrigue without confusing the reader."—*Graphic*.

"Lieut.-Colonel Haggard has performed the work he set himself to do with much ability, and those who read his entertaining pages will have a better idea of the actual world in France under Louis XIV. than if they studied hundreds of tomes—erudite and dry—by professional historians dealing with the same period."—*Daily Telegraph*.

"The result is a readable book, which gives a most vivid and, on the whole, a most faithful picture of an intensely interesting time."—*Bookman*.
