THE portions of these Chronicles which refer to Luther, Melancthon, Frederic of Saxony, and other historical persons, can be verified from Luther's "Tischreden;" Luther's "Briefe, Sendschreiben und Bedenken;" edited by De Wette; the four volumes called, "Geist aus Luther's Schriften," edited by F. W. Lomler, C. F. Lucius, Dr. T. Rust, L. Sackreuter, and Dr. Ernst Zimmermann; Tutschmann's "Friedrich der Weise;" the "History of the Reformation," by Ranke; and that by D'Aubigné; with the ordinary English historical works relating to the period.
