***Современная британская литература
в российских вузах***
Выпуск 12 (7)

Журнал содержит статьи и материалы, подготовленные участниками постоянного международного семинара «Современная британская литература в российских вузах», проводимого в Пермском государственном национальном исследовательском университете с сентября 2005 г. Статьи обобщают опыт внедрения в учебный процесс произведений современных британских писателей, а также дают культурологический, историко-литературный, теоретико-литературный, стилистико-языковедческий, переводоведческий и методический материалы для использования в вузовском преподавании английской литературы и английского языка

Выпуск подготовлен при финансовом содействии фонда
«Оксфорд – Россия»
Ответственный редактор — профессор Б.М. Проскурнин
