## NIGHTS WITH UNCLE REMUS.

Myths and Legends of the Old Plantation.

ILLUSTRATED.

---

*Andrew Lang, in the London Guardian.*

The book is most valuable in every way, and will be equally dear to the student of dialects, the student of myths, and the lover of humor.

*Richard Henry Stoddard, in the N. Y. Mail and Express.*

"Nights with Uncle Remus" will live when much of the fictitious and poetic writing of America is dead and forgotten.

*The American.*

It is a great thing to have made even a good book: but to have run it up to an event is what few have done, and Mr. Harris is to be congratulated on being able to boast of it. He has given to the world an undying book of humor.
