

INSECT LIFE

University Extension Series.

UNDER the above title MESSRS. METHUEN are publishing a series of books on Historical, Literary, and Scientific subjects. The University Extension Movement has shown the possibility of treating History, Literature, and Science in a way that is at once popular and scholarly. The writers in this series aim at a similar combination. Each volume will be complete in itself, and the subjects will be treated by competent writers in a broad and philosophic spirit.
