PAXTON'S  
MAGAZINE OF BOTANY,

AND

REGISTER OF FLOWERING PLANTS.

---

God Almighty first planted a garden ; and, indeed, it is the purest of human pleasures ; it is the greatest refreshment to the spirits of man ; without which buildings and palaces are but gross handi-works : and a man shall ever see, that, when ages grow to civility and elegance, men come to build stately, sooner than to garden finely ; as if gardening were the greater perfection.—LORD BACON.
