Ä

LONDON :
HENDERSON, RAIT, & FENTON, GENERAL PRINTERS,
73 & 74, MARYLEBONE LANE, W.

P R E F A C E.

THE favourable reception of the first and second parts of this work, as indicated not only by the general demand for them, but expressed in many letters of kind approval received by the Author, encourages him to hope that this third part, on which a considerable amount of time and care have been expended, will meet with equal success, and that the numerous enquirers for its publication will not be disappointed in its perusal.

3, CIRCUS ROAD,
ST. JOHN'S WOOD, LONDON.
