The *Westminster Review*.—" . . . Mr. Russell's book is a very complete manual and guide for journalist and author. It is not a merely practical work—it is literary and appreciative of literature in its best sense; . . . we have little else but praise for the volume."

The *Spectator*.—"The aspirant to literature may certainly read Mr. Russell's book with profit."

The *Graphic*.—"Mr. Russell has got up his subject with much care, and supplies a great deal of useful information. His advice and suggestions are sound and to the point."

The *Literary World*.—"Cordially recommending Mr. Russell's *vade mecum*."

The *Bookman*.—"This popular handbook has reached a sixth edition, and from the amount of reliable information and excellent advice it gives to all literary aspirants it deserves its success."

Miss M. E. BRADDON.—"Your counsel, both to the journalist and the imaginative writer, is full of wisdom."
