

Contents

Glaciers and Ice Sheets

<i>P.A. Morozova, O.O. Rybak.</i> Downscaling of the global climate model data for the mass balance calculation of mountain glaciers	437
<i>V.M. Kotlyakov, L.P. Chernova, A.Ya. Muraviev, T.E. Khromova, N.M. Zverkova.</i> Changes of mountain glaciers in the Southern and Northern Hemispheres over the past 160 years.....	453
<i>G.A. Nosenko, O.V. Rototaeva, S.A. Nikitin.</i> Specific changes of the Kolka Glacier (the North Caucasus) from 2002 to 2016.....	468
<i>E.Y. Osipov, O.P. Osipova, E.V. Klevtsov.</i> Inventory of glaciers in the Eastern Sayan on the basis of space surveys	483
<i>A.V. Pogorelov, E.S. Boyko, D.A. Petrakov, E.N. Kiselev.</i> Fluctuations of the Fisht Glacier (West Caucasus) over 1909–2015.....	498

Snow Cover and Avalanches

<i>O.Y. Kalashnikova, A.A. Gafurov.</i> Water availability forecasting for Naryn River using ground-based and satellite snow cover data	507
<i>L.M. Kitaev, V.A. Ableeva, Z.A. Asainova, A.S. Zheltukhin, E.D. Korobov.</i> Seasonal dynamics of air temperature, snow storage and soil freezing in Central part of the East European Plain	518

Ground Ice and Icings

<i>V.S. Sheinkman.</i> Glaciation of Siberia and the problem of massive ice beddings	527
--	-----

Sea, River and Lake Ice

<i>S.M. Losev, L.N. Dymant, Ye.U. Mironov.</i> Length of large leads in drifting ice of the sub-Atlantic part of the Arctic Basin with the use of satellite images.....	543
---	-----

Palaeoglaciology

<i>Ya.V. Tikhonravova, E.A. Slagoda, V.V. Rogov, E.I. Galeeva, V.V. Kurchatov.</i> Texture and structure of the Late Holocene ground ice in the Northern West Siberia	553
---	-----

Applied Problems

<i>O.A. Anisimov, Ye.L. Ziltcova, Yu.I. Zhegusov.</i> Public perception of climate change in the cold regions of Russia: an example of Yakutia.....	565
Contents of four issues of the Journal for 2017	575
