

ON THE PLANTATION

BY THE SAME AUTHOR.

UNCLE REMUS: His Songs and His Sayings. The Folk-Lore of the Old Plantation. With Illustrations by F. S. Church and J. H. Moser, of Georgia. 12mo. Cloth, \$1.50.

"The volume is a most readable one, whether it be regarded as a humorous book merely, or as a contribution to the literature of folk-lore."—*New York World*.

"A thoroughly amusing book, and much the best humorous compilation that has been put before the American public for many a day."—*Philadelphia Telegraph*.

"The idea of preserving and publishing these legends in the form in which the old plantation negroes actually tell them, is altogether one of the happiest literary conceptions of the day. And very admirably is the work done."—*London Spectator*.

"Mr. Harris's book may be looked on in a double light—either as a pleasant volume recounting the stories told by a typical old colored man to a child, or as a valuable contribution to our somewhat meager folk-lore. To Northern readers the story of Brer (brother, brudder) Rabbit may be novel. To those familiar with plantation life, who have listened to these quaint old stories, who have still tender reminiscences of some good old mauma who told these wondrous adventures to them when they were children, Brer Rabbit, the Tar Baby, and Brer Fox come back again with all the past pleasures of younger days."—*New York Times*.

"Uncle Remus's sayings on current happenings are very shrewd and bright, and the plantation and revival songs are choice specimens of their sort."—*Boston Journal*.

New York: D. APPLETON & CO., Publishers.

Yours faithfully:
Frederick Harris
