COUNTRY LIFE is a weekly journal addressed to all interested in country life and country pursuits. One of its main features is the celebrated series of COUNTRY HOMES and GARDENS OLD AND NEW ; in each number a country seat, remarkable either for its beauty or something peculiarly instructive in the architecture of the house, gardens or grounds, is elaborately illustrated in a manner that has proved of high service to those engaged in building and laying out or improving their estates. Other features of rural life are dealt with in an equally thorough manner. The methods pursued on our most famous estates and farms are minutely described, and photographs of the finest pedigree stock and the best machinery are given. All forms of healthy outdoor sport are described and illustrated in their season. In no case, however, are the facts set forth dry, as the journal numbers among its contributors some of the most graceful and accomplished writers of the present day. New books are also described and discussed by competent critics, so that altogether the journal is calculated to give the best news and views on all subjects that are of interest in cultivated circles, and the wholesomeness and fine open-air feeling that pervades its pages have almost become proverbial. COUNTRY LIFE has, in fact, become indispensable.

**Daily Telegraph.**—" 'Country Life' is generally admitted to be the most beautifully produced of all the weeklies. Its process illustrations are unmatched, and the letterpress is always carefully selected and good in quality."

**Westminster Gazette.**—"To say of 'Country Life' that it is one of the best of our illustrated productions is stating only half a fact, inasmuch as in some of its features it stands alone. Its splendid gallery of stately mansions, beautiful interiors, and grand old gardens are incomparable."

**Daily Mail.**—" 'Country Life' has established itself as the most beautifully produced weekly journal in the world."

**Daily News.**—"There is no feature of life in the country that is untouched, and a bound volume of 'Country Life' is a real joy to possess and frequently to turn over."

**Spectator.**—" 'Country Life' amply fulfils its promise of being 'the journal for all interested in country life and country pursuits.'"

**Liverpool Daily Courier.**—"There is scarcely a number without one or more contributions of literary or other interest which will stand reading, re-reading and study."
