This collection of compact cases on management practices in Russian companies was produced  
by professors of HSE Graduate School of Business and other units of HSE University and resulted from  
a joint project between HSE GSB and The Case Centre, the one of the top case clearing houses globally.  
The cases in this volume reflect on a wide range of the current issues in business management, such  
as Strategic Management, Business Innovation, Supply Chain Management, Brand Management, ESG  
and Business Ethics, Talent Management, Entrepreneurship, as well as doing business during the  
COVID-19 pandemic.

This case collection is recommended for students, participants and faculty of various programs in  
management — from Bachelor and Master to MBA and Executive Education.
