## P R E F A C E.

---

THE National Character of "JAMES' NAVAL HISTORY"—its clear, authentic and eloquent narrative of the glories of the British Navy during its most exciting epoch—make it a work which should be brought within the reach of every student of British History.

To do this effectively, it has been the object of the Editor to reduce the five volumes of this work into one by confining the narrative to those actions only for which a medal has been struck or a clasp issued.

The synopsis of contents, herewith given, will be sufficient evidence of the propriety of the plan adopted, and will show that the pruning knife has not been too mercilessly used.

## SYNOPSIS.

---

1793. June 18.—Capture of the French *Cléopâtre*, by H.M.S. *Nymph*, Capt. Edward Pellew, 11.  
Oct. 20.—Capture of the Frigate *Réunion*, by H.M.S. *Crescent*, Capt. James Saumarez, 4.
