COMMENTARIES ON THE OLD & NEW TESTAMENTS.

BY JOHN PETER LANGE, D.D.,

PROFESSOR IN ORDINARY OF THEOLOGY IN THE UNIVERSITY OF BONN.

 EDITED BY PHILIP SCHAFF, D.D.

In One Volume imperial 8vo, Double Columns, price 21s.,

GENESIS; OR, THE FIRST BOOK OF MOSES,

Together with a General Theological and Homiletical Introduction to the Old Testament. With Special Introduction by Prof. TAYLER LEWIS, LL.D.

The following are a few of the subjects treated of in this volume, besides the exegetical and critical, doctrinal and ethical, homiletical and practical exposition.—Essential Ideas of Creation, Bible Ideas of Nature and Supernatural, How was the Creation Account Revealed? Excursus on Hebrew Chronology, Excursus on the Flood; its subjective truthfulness; its partial extent. Excursus on the Confusion of Languages and the Dispersion, The Relation of the First Verse in Genesis to the rest, The Chasm Theory, The Creation Sabbath, The Jehovistic and Elohistie Distinction, Astronomical Objection to Bible, Nine Successions of the Sixth Day, &c.

 "The plan is admirable, and the general result leaves little to be desired. . . . It is not a production of the highest and severest Biblical Criticism, but it is a popular commentary of a very respectable scholarship, furnishing to the student and the preacher a richer apparatus of material than any work that we know. This commentary is a mass of thought and learning, out of which readers may extract much that is valuable."—*Guardian*.

By the same Author, in One Volume imperial 8vo, price 21s.,

I. & II. CORINTHIANS.

 "We by no means endorse everything in a book so varied, but we find it to be scholarly, thorough and honest, and heartily commend it."—*Wesleyan Methodist Magazine*.

 "No brief notice can do anything like justice to the variety and interest of the topics here discussed, or the general accuracy and thoroughness of the discussion of them. . . . Every one who has examined these volumes will give them a most honoured place on his shelves."—*Freeman*.

By the same Author, in One Volume imperial 8vo, price 21s.,

**I. & II. THESSALONIANS, TIMOTHY, TITUS,
PHILEMON, AND THE HEBREWS.**

 "If the subsequent volume should prove equal to the two specimens which have reached us, and we have no doubt they will, this commentary will be second to none in the English language; and will be hailed as a great boon both by theological students and general readers. We again give it our most cordial commendation."—*Watchman*.

 "The volumes are very thorough and exhaustive, and deserve a place in every minister's library. They are more completely a *Bibliotheca* than any other volumes we know."—*Freeman*.

By the same Author, in One Volume imperial 8vo, price 21s.,

JAMES, PETER, JOHN, AND JUDE.

 "No such a cyclopædic work has hitherto been published, and for ordinary students, and especially for ministers who have to prepare sermons week by week, the work is invaluable. . . . An amazing monument of scholarship and industry."—*English Independent*.
