PUBLICATION AND OPEN-ACCESS FEE

WIT Press is committed to the free flow of information to the international scientific community. To provide this service, the Journals require a publication fee to be met by the authors or the research funding bodies for each paper published. The fee for this Journal is US$950 per published article of up to 15 pages (including references and tables) and is payable upon acceptance. Overly long articles, if accepted under peer review, may be subject to an additional (US$65) per extra page. Once published the paper will then be Open Access, i.e. immediately and permanently free to everybody to read and download. Discounted publication fee available for journal subscribers

FREQUENCY AND FORMAT

The **International Journal of Energy Production and Management** will be published in four issues per year in colour. All issues will be supplied to subscribers in paper format (ISSN: 2056-3272).

SUBMISSIONS

The **International Journal of Energy Production and Management** is a refereed journal. In order to be acceptable for publication submissions must describe key advances made in one or more of the topics listed on the right or others that are in-line with the originators of the Journal.
