## THE EIGHTH EDITION

THIS VOLUME, not any longer a little one, has grown out of a course of lectures on the Synonyms of the New Testament, which, in the fulfilment of my duties as Professor of Divinity at King's College, London, I more than once delivered to the theological students there. The long, patient, and exact studies in language of our great Schools and Universities, which form so invaluable a portion of their mental, and of their moral discipline as well, could find no place during the two years or two years and a half of the theological course at King's College. The time itself was too short to allow this, and it was in great part preoccupied by more pressing studies. Yet, feeling the immense value of these studies, and how unwise it would be, because we could not have all which we would desire, to forego what was possible and within our reach, I two or three times dedicated a course of lectures to the comparative value of words in the New Testament—and these lectures, with many subsequent additions and some defalcations, have supplied the materials of the present volume. I have never doubted that (setting
