## PREFATORY NOTE.

---

THE present edition, enlarged and revised throughout, has been in particular augmented by the addition of the lists of Latin Scholia and Grammatical Terms, as suggested by my reviewers.

The favorable reception accorded to this survey of the history of classical philology possibly justifies the hope that this new edition may facilitate the general introduction of so important and interesting a subject into the classical curriculum of the Universities of England and America.

A. G.

PHILADELPHIA, Oct. 12, 1894.

# CONTENTS.

## A. General Introduction.

	PAGE
