## Dedication.

TO

SIR WILLIAM LOGAN, LL.D., F.R.S., F.G.S.,

DIRECTOR-GENERAL OF THE GEOLOGICAL SURVEY OF CANADA,

*I DEDICATE THIS NEW EDITION OF*

## SILURIA.

---

*THE original 'Silurian System' having been dedicated to my eminent associate, PROFESSOR SEDGWICK, the earliest Edition of this Work was dedicated to my predecessor in office, SIR HENRY T. DE LA BECHE, who first adopted the use of the Silurian Classification in the publications and maps of the Geological Survey of Britain.*

*The last Edition was naturally inscribed to my valued cotemporaries, E. DE VERNEUIL, A. VON KEYSERLING, and JOACHIM BARRANDE, by whose labours the Silurian System has been successfully extended to various parts of the world.*
