COVENT GARDEN.

## TO THE READER.

---

It will readily be understood that the Authors of the ensuing Essays are responsible for their respective articles only. They have written in entire independence of each other, and without concert or comparison.

The Volume, it is hoped, will be received as an attempt to illustrate the advantage derivable to the cause of religious and moral truth, from a free handling, in a becoming spirit, of subjects peculiarly liable to suffer by the repetition of conventional language, and from traditional methods of treatment.
